The Marshman-Hall Commitment to Education Award

The Marshman-Hall Commitment to Education Award

It's not often that an organization has the privilege of working with the long-standing leadership of individuals so focused on quality, continuous improvement, community collaboration, and most importantly, our students . . . individuals who absolutely epitomize the vision, beliefs, and quality standards of the BOCES organization.

Dan Marshman and Bob Hall, both former members of the BOCES Board of Education, served their communities and our BOCES in an exemplary fashion. They believed deeply in the power of education. They were convinced that our work at BOCES prepares our youth and our adults to make this area a better place. They gave unselfishly of their time, their ideas, their support, and of themselves.

We miss them for what they gave to us as Board Members, but more importantly for what they gave to us as people. We are commemorating their service through this award to both memorialize their contributions to our area and to serve as a vehicle for BOCES to annually recognize individuals who have made outstanding contributions to education in our BOCES region.

Dan Marshman, a resident of Oxford, served on the BOCES Board of Education from 1991 until his untimely death on January 28, 2001. He also served as the Board's Vice-President from 1997 to 2001. Dan was a partner in Tiger Lily Farms. He was an active member of his community, serving as director on several boards, including the Rural Schools Association and NBT Bank, to name a few. Dan actively attended Board of Education meetings in his home district and built rapport with key legislators regarding educational issues.

Bob Hall, a former resident of Norwich, served on the BOCES Board of Education for over 12 years until his untimely death on April 2, 2002. Bob previously served on the Norwich Board of Education from 1989 to 1992, and held the positions of Board Vice-President and Board President. He was the owner of Paragon Communications, a marketing and graphic services firm in the City of Norwich. Bob held a keen interest in educational issues and routinely hired graduates of BOCES programs to work in his business.

Purpose

In doing so, the BOCES Board of Education hopes to honor and memorialize the contributions and efforts of two distinguished gentlemen – Dan Marshman and Bob Hall.
