Instructional Support Services

What criteria do you use to assign students to?	# Students in AIS Math	# Students in Sp Ed	
AIS Math?	K	K	
	1	1	
	2	2	
	3	3	
	Special Education? ➤ LD in Math?	4	4
		5	5
		6	6
		7	7
Criteria for removal from AIS?	8	8	
	(if students are both AIS Math and Special Ed students, you may want to show duplicated numbers in parenthesis)		

Do you retain Students?(circle one) Yes No

If so, what criteria do you use?

Is there a district policy regarding retention? If so, describe and/or attach a copy of the policy.

Do you place children in transitional classes? Yes No
If so, what criteria do you use?

List your Math Specialists (Reg Ed with concentration in math, special ed with concentration in math, AIS Math, etc) with grade levels:

List your Special Education Teachers with grade levels:

List your AIS Specialists with grade level and content area:

Math Assessment

Do you screen children coming into Kindergarten? Yes No
When? How?

Does your Kindergarten Screening tool/process assess any math attributes? Yes No
Please describe:

For each of the grade levels, please provide information about the assessment used at each level. Be sure to include formal assessments (Terra Nova, TONYSS) as well as informal assessments (Performance based, skills checklists, end of unit tests).

Kindergarten - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from K to 1st grade?</p>

Grade 1 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

What
if anything
do you send from 1st to 2nd grade?

Grade 2 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 2nd to 3rd grade?</p>
--

Grade 3 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 3rd to 4th grade?</p>
--

Grade 4 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 4th to 5th grade?</p>
--

Grade 5 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 5th to 6th grade?</p>
--

Grade 6 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

What
if anything
do you send from 6th to 7th grade?

Grade 7 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 7th to 8th grade?</p>
--

Grade 8 - What math assessments do you use at this grade level?

Describe the Assessment tool:	Focus of the Assessment:

How often do you hold Parent/Teacher Conferences? _____ times per year

How often do you send Report Cards? _____ times per year

<p>What if anything do you send from 8th to 9th grade?</p>
--

Please attach a copy of the report card used at each grade level.

How are math assessments gathered, analyzed, and/or used for instructional purposes?

Are the report cards reflective of the New York State Learning Standards, especially pertaining to the Math Standard?

What other vital information needs to be considered about the math program in your school?
